

ONTARIO HOCKEY LEAGUE 2025 PRIORITY SELECTION MEDIA GUIDE

OHL Priority Selection Process

In 2001, the Ontario Hockey League conducted the annual Priority Selection process by way of the Internet for the first time in league history.

The new process allowed for eligible players and their families, as well as fans across the league to follow the process in real time online.

The 2025 OHL Priority Selection will once again be conducted online beginning with Rounds 1-3 on Friday, April 11th at 7:00pm followed by Rounds 4-15 on Saturday, April 12th beginning at 9:00am. Fans can follow the entire process online at ontariohockeyleague.com and streaming live at ohllive.com as well as on the league's YouTube, X and Facebook accounts. The Priority Selection will also air on YourTV, Rogers tv and Eastlink community stations (check local listings).

Player Eligibility
North American players born in 2009 and non-overage players that were not carded with an Ontario based U16 AAA team from protected OHL territories are eligible for selection in the 15 rounds of the 2025 OHL Priority Selection.

Selected Players in the OHL
OHL Member Teams are permitted to register a maximum of four 16 year old players selected in the OHL Priority Selection. Those 16 year old players that are allowed to be signed are the first two 16 year old players selected and a maximum of two additional 16 year old wild carded players in any round of the OHL Priority Selection.

All other 16-year-old players selected are eligible to be called up as an "affiliated player" or "floating affiliate player" for a maximum of 10 games or for any OHL regular season or

playoff games when such player's team has been eliminated from competition for that season.

Order of Selection
Beyond those four teams (Peterborough, Guelph, Ottawa, Sarnia) whose first round order of selection was determined through a lottery process, the order of selection is determined by inverse order of finish during the past OHL regular season schedule of games.

OHL Central Scouting
The Central Scouting Bureau of the Ontario Hockey League is an information service and support organization designed to provide the Member Teams with a reference in regards to the players available for selection in the annual Priority Selection Process.

The primary objective of OHL Central Scouting is to identify, rate and rank players to be eligible for

the Priority Selection, according to their OHL potential. OHL Member Teams combine player data received from the Central Scouting Bureau with evaluations from their team scouting staffs to make their player selections.

The OHL Central Scouting Bureau has been evaluating players since the 1975-76 season.

He earns everything he gets on the ice, he has a good skill set, heavy and accurate shot and he drives the offense for his team. He plays as hard in his own end as he does in the offensive end which is a rarity nowadays! His compete and physical play are what separate him from his peers as there is no battle he goes into without giving 100%. He is a fierce competitor who was a major factor in his team's Silver Stick championship.

GP	G	A	PTS	PIM
32	10	19	29	8

SCOUTING REPORT: Caden is a very well-rounded defender that does everything well. He is a mobile defenceman that uses his feet to defend by closing gaps and he can beat a forechecker with quick escape moves. He is a player that plays a simple yet effective game on both sides of the puck, not flashy by any means but very effective. He has a high hockey IQ as he makes the right plays and is rarely caught out of position. Plays a contain style of game and is on the right side of the puck defensively. Caden has the tools to be a solid defender at the next level.

SCOUTING REPORT: Brayden is one of the leaders on his team and shift in shift out he leads by example. He is a powerful skater that is fun to watch in open ice when he is in full stride. He generates the majority of his offense off the rush and by constantly taking the puck to the scoring areas. He is committed to playing a 200-foot game and doesn't cheat in order to create offense. He is a very smart player that understands the game well, he can play either the wing or centre and doesn't miss a beat. His compete level is good and he isn't afraid to go to the dirty areas, will throw the body when he needs to but doesn't go around looking for the big hits. Ty is trending the right way on the development curve and has a high ceiling.

SCOUTING REPORT: Brock has picked up right where he left off last season being an impactful player each and every shift he is on the ice. Brock is a dynamic skater that has a top end speed that many don't. He has elite level skill and is both a solid playmaker as well as a dangerous goal scorer. He isn't one to cheat in any zone as he plays a solid 200 foot game and is always on the right side of the puck. His hockey sense and how hard he competes every shift are two things that differentiate him from his peers. He makes a lot of little smart plays that go unnoticed at times during the game, couple that with his gamebreaking abilities and that is why he is one of the top players in this age group.

He is a player that loves to have the puck on his stick and he will very rarely just throw it away. He is a very gifted playmaker that sees things well ahead of other players. He is the driving force offensively for his team, isn't afraid to try to create something out of nothing, and has scored some highlight reel goals this season. SCOUTING REPORT: Max is an offensive centre that can contribute in a number of ways. He is a very smart player that understands how to create time and space for both himself and his teammates. He has very good vision and playmaking skills which he uses to distribute the puck well from the middle of the ice. Max missed some time in the first half of the season and his absence was noticeable, leaving a gap in the Titans' lineup.

HT: 6.04 WT: 171 MARCH 23, 2009

GP	G	A	PTS	PIM

SCOUTING REPORT: Alex is a tall and lengthy centre that has many similarities in his game to Joe Thornton. His biggest attribute is how well he sees the ice and his ability to get his teammates the puck in a good position to score. He is deceptively quick when he gets going. He is a very smart player that understands how to create offense by making more time and space for himself and his teammates. Alex competes for loose pucks and will battle in the corners as well. He has a huge ceiling and is only going to get better as he grows and fills out the frame he has already.

SCOUTING REPORT: Gerry is a highly skilled centre that the puck seems to follow around the ice when he is out there. He is a very good skater with the ability to change gears in full flight and has that top gear that many players just don't have. He plays the game at a high pace and has the ability to make highly skilled plays while moving his feet and constantly putting pressure on the opposition. Although he isn't the biggest player, he rarely backs down or turns away from going into the high traffic/contact areas. He is an exceptional playmaker and sees the play developing well before most others do. Gerry has all the talent and skill to be a very dynamic player at the next level.

SCOUTING REPORT: Ryerson is the leader on his team offensively. He is the driving force to the majority of their offense. He is a very good skater that has a top end speed, which makes him hard to handle off the rush, and very good edges that make him shifty down low off the cycle. He has that ability to hold onto the puck for the extra half a second to draw someone in and then make a nice pass to set up a teammate for a scoring chance. He is consistently his team's best player and will help carry them to any success in the second half.

He has a low center of gravity that makes it hard to knock him off the puck and he does a good job of taking the puck to the net out of the corner. He definitely has a nose for the net as pucks seem to find him when he is there; he reads the play well and will go to the dirty areas to score. His compete and battle are two things that make him very hard to play against. At his size, there aren't many defenders that can contain him whether it's through the neutral zone or down low off of the cycle. He possesses a pro shot already, it's heavy and when he has time he always seems to find the back of the net.
