| 14-69                       | Employee training, education, safety, and technology procurement and implementation for service enhancement surcharge                                                                                                                                                                                                                                                     | 6% of each and every building permit fee |
| 14-70                       | Other general fees                                                                                                                                                                                                                                                                                                                                                        |                                          |
| 14-70(1)                    | Pursuant to Florida Statutes § 553.721, in order for the department of business and professional regulation to administer the Florida Building Code, there is created a surcharge to be assessed at the rate of 1.0 percent of the permit fee associated with enforcement of the Florida Building Code. The minimum amount collected on any permit issued shall be \$2.00 | 0.00                                     |
| 14-70(2)                    | Pursuant to Miami-Dade County Ordinance 8-12(e), a surcharge to building permits for county code compliance program, per \$1,000.00 of work valuation                                                                                                                                                                                                                     | 0.60                                     |
| 14-70(3)                    | Pursuant to Florida Statutes § 468.631, the building code administrator's and inspector's fund shall be funded through a surcharge to be assessed at the rate of 1.5 percent of all permit fees associated with enforcement of the Florida Building Code. The minimum amount collected on any permit issued shall be \$2.00                                               | 0.00                                     |
| 14-70(5)                    | Sanitation surcharge for all building, electrical, plumbing, mechanical demolition permits, 0.30 percent of estimated cost of project:                                                                                                                                                                                                                                    |                                          |
|                             | Minimum                                                                                                                                                                                                                                                                                                                                                                   | 15.00                                    |
|                             | Maximum                                                                                                                                                                                                                                                                                                                                                                   | 1,822.00                                 |
| 14-70(6)                    | A separate fire safety, public works and/or zoning review fee associated with the building permit process shall be charged as outlined in appendix A. See applicable department fee sections                                                                                                                                                                              |                                          |
| 14-72(1)                    | Interest and collection fees shall be charged for unpaid amounts (fees) due                                                                                                                                                                                                                                                                                               |                                          |
| 14-72(2)                    | Documents. Requests for copies of building department records, inspection reports, logs, or similar documents maintained by the building department will be charged a fee as specified in subsection 14-61(d) of appendix A                                                                                                                                               |                                          |

Footnotes for mobility fees imposed pursuant to Section 122-24:

<sup>1</sup> Floor area is based on areas that count towards the maximum unit size pursuant to the single-family district regulations.

<sup>2</sup> The sq. ft. for any buildings or structure shall not be excluded from the acreage.

<sup>3</sup> Acreage for any unenclosed material and vehicle storage shall be converted to sq. ft.

<sup>4</sup> Areas under a canopy for seating, display, storage and sales shall be converted to sq. ft.

<sup>5</sup> Separate fees are associated with any drive-thru lane(s) associated with a restaurant.

<sup>6</sup> Restaurant/bar/night club and/or retail sales, that are not exclusive to hotel guests only, shall be calculated based on the separate applicable land use classification.

<sup>7</sup> Convenience retail rates are separate from the fee due for vehicle fueling positions. Rates Per vehicle fueling Position also apply to gas stations and service stations with fuel pumps. The fee for any restaurant square footage, seating or drive-thru in a convenience store will be based on the individual fee rate for the land use, not the convenience store rate.

<sup>8</sup> Bank building square footage falls under office and is an additive fee beyond the fee due for bank/ATM drive-thru lanes or free-standing ATM's. These rates are per drive-thru lane for the bank and per drive-thru lane with an ATM. The freestanding ATM is for an ATM only and not an ATM within or part of another non-financial building, such as an ATM within a grocery store
