A Note Regarding Inserts

Organizations such as AMCAS, PharmCas, LSAC, NSF, etc. may request that you include an insert in any transcripts that you send them. The need to include inserts in transcripts complicates the online request process and waiting for/matching up inserts with requests has been determined to slow down transcript processing for all students. UNLV has looked into the insert requirement with the various entities and determined that organizations will process your transcript request without the insert as long as they can match your transcript to the information you submit to them and determine who you are.

Our suggestion is to include the unique identifier* issued to you by the organization in the organization's mailing address which prints on the bottom of your official transcript:

RECIPIENT LINE: NursingCAS ID#1234567
 ADDRESS LINE1: NursingCAS - Transcript Department
 ADDRESS LINE2: PO Box 1234
 CITY: Watertown
 STATE: MA
 POSTAL: 00000

- i. If your transcript has an insert, please read the statement on inserts. Many of those organizations accept transcripts from the National Student Clearinghouse and we would recommend that students utilize this option if possible.

- ii. Then you will review the order and proceed to the next page or add an additional recipient. All transcripts are mailed via USPS 1st class mail for both domestic and international orders.

In addition, other hold types may prevent the release of transcripts. If you have a hold that prevents transcript release, this portal will not allow you to proceed with your order.

- l. Clearinghouse will not charge your Credit Card until UNLV generates the transcript order. If there are issues generating your transcript (such as a hold), you will be notified.

Clearinghouse Notifications

Payment will be accepted, if a cost is involved, with any major credit or debit card. Your credit or debit card is not charged until your school sends your transcript(s). However, if you use a debit card, your bank may put a hold on your funds when we pre-authorize your payment. If you have questions on the pre-authorization, please contact your bank.
